EDUCATION

Denison University

Computer Science

Expected graduation: December 2026

- GPA: 3.3 / 4.00
- Relevant Coursework: Data Structures & Algorithms, Algorithms Design & Analysis, Machine Learning, Linear Algebra,
- Technical Skills: Python, C++, C#, Git, PyTorch, Unity, Fusion, AWS

EXPERIENCE

VNG, Ho Chi Minh, Vietnam

Game developer intern

May 2025 — Aug 2025

- Designed and developed the in-game weapon system for a multiplayer game using Unity and Fusion that allowed 10 players with minimum latency.
- Developed in-game UI system that managed 10 different UI interfaces that allows players to interact with the game.

FPT, Hanoi, Vietnam

Data engineer intern

May 2024 — Aug 2024

- Developed data pipeline that handles pre-processing of 4000 JSON files using AWS
- Leverage ETL and ETL principle to design a data pipeline that parses raw data to processed data

PROJECTS

[CS 314], [Game Design] Group Project

May 2025

- Created a 2D role playing game in a 3-person team with custom character model, custom map and narrative using Unity

[No More Room], Personal Project

Jul 2021

- Wrote and developed an interactive novel with multiple decisions tree and 3 endings using Inform7

ACTIVITIES/LEADERSHIP

Denison Residential Community & Housing

Residential Advisor

August 2023 – May 2026

- Spearheaded monthly educational and wellbeing programs for a building with 50 residents, fostering an inclusive environment and increasing community engagement by 40%
- Collaborated with a diverse team of student leaders and professional staff to streamline hall operations and improve departmental efficiency by integrating AI into the workflow.

Trucha Boba, Denison University

Manager

January 2024 – May 2025

- Managed inventory, work schedule, finance, and payroll of 15 employees
- Secured 5 collaborations with different campus departments, earning \$4000 in revenue

HONORS/AWARDS

Upsilon Pi Epsilon member

April 2025

- Being inducted into computing and information honor society by maintaining a 3.5 in computer science GPA and ranking in the upper 35% Computer Science majors in my class
